

**TOWN OF MILLIS  
BOARD OF HEALTH  
Minutes of Meeting  
July 8, 2019**

A meeting of the Board of Health was held on July 8, 2019 at the Veterans Memorial Building, Room 213, in Millis, Massachusetts. Present were:

- ☐ Kathleen Lannon, Chair
- ☐ Matthew Fuller, Board Member
- ☐ JaiKaur LeBlanc, Board Member
- ☐ John McVeigh, Public Health Director
- ☐ Joyce Boiardi, 206 Orchard Street
- \* Melissa Recos, BETA Group

Chair Lannon moved and Member LeBlanc seconded and it was unanimously voted that the Millis Board of Health meeting of July 8, 2019 be opened at 7:10 p.m.

**Administrative Business:**

- I. Nurse's Report:** The monthly report of the Public Health Nurse was reviewed.
- II.** Board of Health Agent Appointments for 2020 fiscal year.
- III.** Director reports that Tobacco Vendor Education Training concerning tobacco sales was held on June 27, 2019. Tobacco retailers in Millis and Metrowest were all invited. The two Millis tobacco permit holders with violations did attend.
- IV.** The Director reported he attended the presentation made by our Boston University school of Public Health graduate intern concerning her Millis project about Vaping in adolescents.
- V.** Region 4A Emergency Grant Funds were used to purchase tourniquets for placement in town buildings after Stop the Bleed Education Programs are held.

**Scheduled Public Hearings & Discussions:**

**7:11 PM Discussion - Millis Board of Health Body Art Regulations** – Discussion occurred concerning eyeliner cosmetic tattooing. Proposed changes to regulation to date reviewed and discussed. The Board decided to further investigate eyeliner cosmetic tattooing equipment and investigate possible complications. Discussion to continue at the next meeting.

**8:02 PM EHIR 1475 Main Street Self Storage EHIR** was continued until August meeting.

**8:03 PM 1105-1115 Main Street EHIR** – Peer review concerning project by Melissa Recos dated June 27, 2019 reviewed with Melissa present. Additional requests for conditions concerning potential dewatering plan and further information concerning alarm system for underground tanks discussed. Melissa Recos noted that updated plans submitted by the project engineer were not dated. Board requested that all submitted plans be properly dated prior to any EHIR approval.

On a motion made by Chair Lannon and seconded by Member Fuller and unanimously approved, the MA 20, 2019 Board of Health meeting was closed at 8:50 PM.
