6:04 PM – 5G Cell Towers

Patricia Burke resident at 8 Eden Street has a citizens petition on the Spring Warrant. Patricia is asking for the Board of Health to support her citizen petition regarding 5G cell towers. At this time the way the petition is written, Chair Fuller and Board Member Scotland feel that the evidence provided is anecdotal and does not support the petition as written. Chair Fuller and Director McVeigh will be working together to write a supporting statement. Patricia Burke was asked by Board Member LeBlanc to reach out to the office of the clerk to see about amending the petition with new wording for the Spring Warrant.

6:04 PM– Temporary Health Agent

Director McVeigh asked the Board of Health to appoint Scott Moles (previous Health Director of Millis) and current Health Director in the Town of Holliston to be a temporary Health Agent for a project located at 89 Spencer Street, owned by Board member Scotland. Director McVeigh due to conflict should not oversee certain aspects of the septic repair at this location. Chair Fuller made a motion to appoint Scott Moles as a temporary Health Agent for property located at 89 Spencer Street for a period of 6 months from April 11, 2023. Member LeBlanc seconded the motion which was passed Member Scotland abstaining.

A motion was made by Chair Fuller, seconded by Member LeBlanc, and unanimously approved to close the Board of Health meeting of April 10, 2023 at 9:18 PM. The next meeting is scheduled for April 18, 2023 at 6:00 PM via Zoom.
