- b. The meeting minutes for: August, September and December (All approved with noted corrections).

**7:09 PM Discussion COVID update:**

Director McVeigh along with the Public Health Nurse Ward updated the Board on CoVid concerning the Town of Millis. Massachusetts cases are rapidly decreasing from reports in MAVEN (not including at home testing). A discussion between members and staff regarding student masks and the efficacy of surgical vs cloth mask requirements with mask mandates possibly soon to be rescinded mentioned.

**7:30 PM 43 Grove Street:**

Discussion regarding the property at 43 Grove Street and the request for inspection from DEP. The history of the site and communication with Licensed Site Professionals (LSP's) associated with the site including Charles Young and Brian Moran were noted. The 500 abandoned drums that were left onsite presumably under direction of EPA due to a non-contaminated status. The Board and Health Director are still concerned with the designation and associated risk of classifying this as "solid waste" without proof of original testing and EPA statements as well as current testing under current testing standards. The LSP's and property owner will be at the next March meeting to discuss the matter in more detail.

**8:10 PM DA III Position:**

Discussion on the DA III job and applicants as well as setting up interviews for the 4 candidates.

On a motion made by Chair LeBlanc, seconded by Member Fuller it was unanimously approved to close the Board of Health meeting of February 7<sup>th</sup> 2022 at 8:30 PM. The next meeting is scheduled for March 7<sup>th</sup> 2022 at 7:00 PM.
