7:09 PM Discussion COVID update:

Director McVeigh along with the Public Health Nurse Ward updated the Board on CoVid concerning the Town of Millis Massachusetts. Cases are rapidly decreasing from reports from DPH, MAVEN and CDC. Noted was the School Committee's vote to rescind any masking at Clyde Brown Elementary starting March 7th 2022.

7:30 PM 43 Grove Street:

Discussion regarding the property at 43 Grove Street and the request for inspection from DEP to the Board of Health. The history of the site from Licensed Site Professionals (LSP's) Charles Young and Brian Moran were noted. The 500 abandoned drums that were left onsite presumably under direction of EPA due to a non-contaminated status. The Board and Health Director are still concerned with the designation and associated risk of DEP classifying this as "solid waste" without proof of original testing and EPA statements as well as testing under current standards. The LSP's did note the site is still under DEP jurisdiction under the MCP Massachusetts Contingency Plan. The Board left off with waiting for the EPA -FOIA request for documents and the Director consulting with the Town's Attorney MTC for advise concerning the matter.

9:10 PM DA III Position:

Discussion on the DA III- Administrative Assistant position and new hire Heather Graham.

On a motion made by Chair LeBlanc, seconded by Member Fuller it was unanimously approved to close the Board of Health meeting of March 7th 2022 at 9:30 PM. The next meeting is scheduled for April 4th 2022 at 7:00 PM.
