**Administrative Business:**

I. Nurse's Report: TBD

**6:40 PM Discussion: COVID update:** Member Lannon informed the Board that Millis was planning on having a Johnson & Johnson vaccine clinic for residents 60+ in Millis that are homebound.

However, a report came out that the Johnson and Johnson vaccine was paused due to the blood clot issues. This will be postponed until we hear more in regards to this vaccine. Town Hall is planning to re-open to the public after May 11, 2021. Social distancing & masks will be required. Air filtration systems have been added to the building.

The Department of Elementary & Secondary Education sent out a letter to parents of students that was confusing. It stated that if a student is 3-6 ft from a person who tests positive for COVID they do not have to quarantine. The school committee met and would like to be more conservative and have contacts within 6 ft of + persons quarantine.

Massachusetts regulations say masks are not required outside unless social distancing is compromised. On May 10, 2021 we will be in Phase 4, Step 2.

On a motion made by Chair Fuller, seconded by Member Lannon and unanimously voted to close the Board of Health meeting of May 3, 2021 at 7:55 PM.
