The committee approved a final draft of the capital planning report to be included as part of the finance committee report published in advance of the town meeting. Ms. Roche briefly discussed the comprehensive report that the school committee recently received which laid out potential alternatives for repairs to the middle/high school. Ms. Roche indicated that she would work with the school committee to coordinate a date at which the school could give a more detailed overview of the report to the capital planning committee, so the CPC could begin to fold this analysis into the broader capital planning schedule.

The meeting was adjourned at 7:17pm.
