

News from the ESBC

Yesterday, November 15th, we got a surprise at the new school site construction meeting. Principal of the Clyde Brown School, Jason Phelps, brought a gift to our meeting.

The gift was for the construction workers building the new school.

Thank you to Ms. Carlson's 2nd grade class at Clyde Brown School!

They made a banner for the construction workers and sent them candy. What a nice thank you! Pictured from left to right are Mark Lockwood, Alex Iwuc, and Julie Allen from Agostini Bacon Construction.
