James McKay
Pam Mustard
Anne Rich

Members absent: Ray Normandin

Others present: Michael Rand, Millis Girls Softball League
Jennifer Scannell, Millis Treasurer/Collector

Memorial Field Improvements (submitted by Millis Girls Softball League/Millis Youth Baseball):

(Note: Mr. Rand presented the funding request at a regularly scheduled CPC meeting on March 5, 2020. More information was requested.)

The Committee reviewed Mr. Rand's revised project proposal. The proposal includes rebuilding the surfaces of three fields, removing and replacing backstops, dug out fences, and perimeter fencing in disrepair (see attached).

Mr. Rand stated that the proposal addresses existing recreation space that is used by local youth/adult sports, the general community, and "pay for use" organizations. The proposed improvements will make the fields safer and open the availability of additional playing opportunities. He stated that the work proposed will "bring the fields up to playable standards." This is "not a Band-Aid proposal," Mr. Rand said.

At the regularly scheduled remote meeting of the Community Preservation Committee on May 14, 2020, on a motion made by Ms. Wendy Barry, seconded by Mr. James McKay, it was unanimously voted (5-0) in favor of appropriating **\$74,558.49** for the Memorial Field Improvements Project from the **Community Preservation Open Space/Recreation Resources Reserve account**. (Note: Members Ms. Barnes and Mr. Baker had to leave the meeting prior to voting.)

The Community Preservation Committee **recommends approval** of the above article for the **Memorial Field Improvements Project** at the Town Meeting to be held on June 29, 2020.
