The Millis Fund, Inc., is a community based and supported organization established in 1994 to provide emergency local aid to Millis residents.

Financial assistance is based on clear documentation of emergency needs on a one-page application. To date, the Fund has assisted over 300 families by paying for rent, utilities, medical expenses, fuel, clothing and other emergency needs. All payments are made directly to the supplier and not to the applicant.

Financial support throughout the year comes mainly from Millis churches and Synagogue, civic organizations and Millis residents. We have only one fund-raising campaign per year.

The Millis Fund, Inc., is a non-profit organization under IRS Section 501 (C) (3). Our supporters are assured of tax exempt status for their donations and we are qualified to receive corporate matching donations.

If you have any questions or need guidance relevant to applications, you may call the Church of Christ at (508) 376-5034. Applications may also be obtained and submitted by calling (508) 376-7051, the Council on Aging at 900 Main Street in Millis any weekday morning.

Together we can make a difference in neighbor helping neighbor meet emergency financial needs.
