DEPARTMENT: Fire/Rescue Department

BUDGET NARRATIVE**Description of Department Function**

Describe the overall mission or purpose of the Department.

The purpose of the Millis Fire/Rescue Department is to respond to all emergency and non-emergency calls for service from the residents of Millis and neighboring communities.

These calls include but are not limited to:

Fires	Medical Emergencies	Motor Vehicle Accidents
Hazardous Materials		Weather Related Emergencies
Carbon Monoxide Emergencies	Brush Fires	Ice/Water Rescues
Gas Emergencies	Missing Persons	Floods
Mutual Aid Fire/Medicals	Technical Rescues	Inspections Building Plan Review
Code Compliance	Public Education	Permitting

The Millis Fire/Rescue Department is staffed by 30 dedicated members. Those members make up our combination Fulltime and On Call Department. Our fulltime members handle the first emergency that is called in and On Call and off duty fulltime members respond back to the station to handle any other emergencies that come in.

Current Staffing:

1 Fulltime Fire Chief	1 On Call Deputy Chief	4 Fulltime Lieutenants
12 Fulltime Firefighter/EMT's	14 On Call Firefighter/EMT's	

Fire Chief: Monday-Friday 8am- 4pm Responds to calls as needed 24hrs/day, 365 days/yr.

On Call Deputy Chief: Responds to emergencies as needed, attends meetings and coordinates trainings

Full Time Members: Work a 4-group system, groups consist of 1 Lieutenant and 3 Firefighter/EMT's

Groups work a 24hr shift on/ 24hrs off/24 hrs. on/96hrs off.

On Call Members: Are assigned to a Group that follows the fulltime shift schedule and are responsible to cover from 6pm-6am. Additionally they must attend department trainings and meetings. Many on call members cover shifts for fulltime members when they are out.

Programs and Sub-Programs

Consider and list the actual Programs and Sub-Programs Executed by the Department

Structural Firefighting	Emergency Medical Services both BLS and ALS
Fire Prevention and Code Compliance	Fire and Public Education
CPR and First Aid	

Accomplishments

Describe the major describable accomplishments or measurable activities in FY22 or CY21. Use statistics whenever possible.

Call Volume: In CY21 The Millis Fire Rescue Department saw an increase in call volume by approximately 25%. With the Addition of personnel, the department was able to handle all calls for service without relying heavily on mutual aid. The department provided more mutual aid than it requested again in CY21. Our department provided ALS intercept to both Medway and Medfield and were able to provide an ALS ambulance to all our mutual aid communities.

Vaccine Clinics: Our department worked with the Board of Health to hold vaccine clinics where our Paramedics administered the vaccine to our residents.

On Call Members: Our 6 New On call firefighters that were hired in the last fiscal year have completed and successfully passed the State and National Firefighter I/II certifications.

SAFE Grant: The department received a grant to fund fire education to be taught to all students in Millis from Pre-k-5th grade. As well as Senior fire safety that will be taught to our Seniors in cooperation with our Council on Aging. Our members have set up monthly meetings/informational trainings with the senior center that has been received very well.

Junior Fire Firefighters: The department started a junior firefighter program that takes high school students and teaches them multiple aspects of firefighting, responsibility and a duty to help others. The goal is to help students that have interest in public safety get an understanding of what it takes to be a firefighter. We currently have 5 high school students participating.

Hose: With funds allocated at Town meeting all outdated hose was replaced.

Preventative Maintenance: With new funds for preventative maintenance our apparatus underwent an intense preventative maintenance program highlighting several areas of concern and need for replacement. These improvements should help prolong the life of the apparatus and reduce future maintenance cost.

Portable Radios/Pagers: The department portable radios were upgraded using Grant funding to replace outdated radios. Without this grant it would have taking several years to replace.

PPE Grant: The department received a State grant allowing us to replace the remainder of turnout gear that was outdated allowing us to forgo another year of funding through the budget. Additionally, all firefighters were outfitted with cancer reducing personal protective equipment.

Health and Wellness: This year we focused on health and wellness and reducing on the job injuries. A workout routine was created to focus on firefighter related movements and common injuries. Also the department participated in a skin cancer screening through the Department of Fire Services for early intervention.

FY23 Departmental Goals

Describe the initiatives and accomplishments planned for FY23

New Construction: The department continues to prepare and staff for the large amount of new construction projects that are coming into town.

Amongst those are a:

- * 324 Units of Over 55 community that is largely under construction and Occupied.
- * 48+ Units of Over 55 community on Acorn st that is under construction and beginning To be occupied with the potential of more units since contractor bought a large piece Of property that is abutting this project.
- * 2- separate 40+ home new developments
- * 98-unit 4 story 40b project
- * 2- separate 12 unit 40b projects
- * 120+ bed Memory care/assisted living facility

All these projects directly impact the department by increasing workload with Construction Plan reviews, inspections and more importantly emergency responses. Each and everyone of these projects will greatly increase our emergency responses both EMS and fire. The Assisted living facility alone will increase our calls by at a minimum of 6-10 more calls per week an additional 500 calls.

Health and Wellness: The department will continue to focus on the health of our firefighters by continuing to reduce on the job injuries with work out and stretching programs. As well as continue to work with the Department of Fire Services on annual pre screenings for cancer, cardiac health and mental health.

Technology: The department continues to update the departments ability to utilize technology. Goals will be to streamline the permitting process by allowing on line permitting and scheduling.

New Apparatus: With the approval of a new ambulance and engine, the department will work with manufacturers to ensure we get the best product for the best price and receive it in a timely manner.

Grants: The department will continue to research and find all available grants to help with funding.

Spending Highlights for FY23

Explain any significant budget changes from FY22

Officer in Charge: This is a new agreement in the firefighters contract the request is for \$3,500.

EMT Certification: With the increase of personnel there is an increase of \$2,000 for the emt certification.

Training: The national and state requirements for training have increased and we are including an increase to accommodate the resources for those trainings. \$8,000

Supplies and Expenses: This is one of the areas we have seen the biggest increase is in all supplies, long lead times and increased cost have resulting in the request of \$35,000.

Building Maintenance: There has never been a line item for building repairs or cost associated with the building. Our renovation is 5 years old and we are trying to keep it in the best possible shape to prevent any major repairs. This would be an addition of \$6,000.

Telephone: with improved technology comes a increase for cellular service/wifi capabilities etc. this is an increase of \$2,000.

Medical Supplies: Much like supplies and expenses this is the area we are the most affected. By adding this line last budget season we were able to see the direct cost of medical supplies. With the large increase in call volume we have seen and increase in medical supply cost. This would be an increase to \$25,000.

Clothing/Uniforms: Cost associated with clothing has increased along with the addition of new call members requires an increase to \$30,000.

Equipment: replacing outdated equipment will require an increase to \$20,000

Non-tax Funding

List any expected non-tax revenues that will be use to fund department activities, including an estimate to be received.

Ambulance Revenue Receipts:

With increased call volume there is an increase in ambulance revenue. Revenue is estimated to be \$100,000 over last year.

Construction Plan Review and Inspections:

Permit cost for new construction, smoke and carbon monoxide detector testing, sprinkler installation and testing, oil burner installation, propane installation, oil tank installation and removal, fuel storage permits and burning permits. \$10,000 to general fund.

Grant Funding: Any opportunity for Grant funding will be researched and applied for.

CAPITAL PROJECT DETAIL SHEET

Project Title: **Public Safety Radio Console Update**Department: **Millis Police & Fire Communications**

Category:

Description and Justification:

The console and support equipment were purchased in April of 2016 for a cost of \$92,206.12. It is currently operating on a Windows 7 platform. Currently the platform needs to have the workstations replaced due to age and the Motorola CEB upgraded to Windows 10 operation. Windows 11 and beyond will not be supported.

The end of support was 12/31/2021. Factory repairs services are no longer available, and parts availability is limited to parts in hand at Motorola.

Please send a photo depicting the capital request as a separate file. Do not drop it in to this template.

Priority Ranking Worksheet

Project Name:	Public Safety Radio Console Upgrade
Priority Ranking:	High
Project Type:	Replacement
Useful Life:	7 Years
Responsible Department:	Police & Fire

Criteria	Description	Rating Scale (1-9)	Project Rating *	Notes / Comments
Project Requirements	Is the project required to meet legal, compliance, or regulatory mandates or potentially impact the towns ability to provide necessary services?	1 = not required or mandated 5 = pending requirement 9 = required or mandated	9.00	
Strategic Alignment	To what extent is the project aligned with the government's overall strategies?	1 = no alignment with strategies 5 = partial alignment with strategies 9 = full alignment with strategies	9.00	
Value to Citizens	How much value will the outcome of this project bring to our citizens?	1 = minimal value 5 = partial value 9 = high value	9.00	
Priority Factor			27.00	

Priority Ranking Criteria	Applicable**	Weighting Factor	Priority Factor	Score	Notes / Comments
Public Health and Safety	1	1.50	27.00	40.50	
Employee Health and Safety	1	1.25	27.00	33.75	
Regulatory Mandate	1	1.50	27.00	40.50	
Frequent Problems	1	1.25	27.00	33.75	
Generates Revenue	0	1.00	27.00	-	
Lowers Ongoing Operation Costs or generates savings	1	1.25	27.00	33.75	
Age or Condition of Existing	1	1.00	27.00	27.00	
Public Benefit	1	1.25	27.00	33.75	
Public Demand	1	1.00	27.00	27.00	
Synergy with Other Projects	1	1.00	27.00	27.00	
Comprehensive Plan Component	0	1.25	27.00	-	
Total Score				297.00	

*Project Rating - Using Rating Scale rate your project from 1 - 9

**Applicable - Enter a 1 if your project meets the Priority Ranking Criteria
