Justin,
As we discussed I am providing you with a quote to perform the site work related to Installing and renovating the infield for the millis youth baseball 60' Diamond.

Memorial 60' youth field infield:

Remove existing infield grass. Bring infield up to grade and take down infield mix or re distribute as needed to create proper drainage and smooth transitions. Bring in new loam and laser grade the grass areas as well as infield mix areas to ensure smooth transitions. Install new sod on infield and a 6 foot strip around the entire outfield and foul lines.

Labor \$8550.00

Material: \$6267.00

If you have any questions about this estimate please let me know.
Tim

Hi Justin -

Thanks for reaching out about this project; after taking a closer look at our schedule board we do not have any availability for this year. We appreciate you thinking of us and hopefully can do something further in the future!

Thanks,

Nick Mastroianni

Good Morning Nick,

Wanted to propose an opportunity to bid on a small field project here in millis at the little league field. Due to the extreme conditions over the summer and water bans the infield has fallen in to disrepair and is currently not a safe playing surface.

Scope of work to bid-

Memorial 60' youth field infield:

Remove existing infield grass. Bring infield up to grade and take down infield mix or re distribute as needed to create proper drainage and smooth transitions. Bring in new loam and laser grade the grass areas as well as infield mix areas to ensure smooth transitions. Install new sod on infield.

Also re shape mound , basepaths and outside apron to proper dimensions to little league specifications.

We are looking to get this work done in the next few weeks and would appreciate a reply to see if you could accommodate this request. I realize the window is closing but wanted to get the surface playable and safe for next years season.

Much appreciated,

Justin Peterson
Millis Youth Baseball.

Hi Justin,

So nice to hear from you.

I would love to help you out, but I cannot do this till next spring.

Thanks for the opportunity, good luck my friend.
