BUDGET #FY20

CODE	DESCRIPTION	BUDGET REQUEST
-------------	--------------------	-----------------------

The expense budget remains realistic. There were steady application submittals within the last year. It still remains manageable. It is the assumption that there will be little change in the FY 2020 filings. The advertising is mandated by statute and the Zoning Board has no control in regards to the number of submittals or the cost increases for advertising within a fiscal year.

The hours noted for Fiscal Year 2020 are allocated from 10 to 6 hours a week.
